In the original article, there were incorrect station coordinates shown in Table 2 for the following stations: Level Forest, Upper Forest, Vista View, Fisera Ridge, and Centennial Ridge. The incorrect station coordinates do not affect any other information and data presented in the paper.

The corrected station coordinates for these five stations are shown below to replace those in the original Table 2.

Level Forest: 50.9465° N, 115.1467° W

Upper Forest: 50.9570° N, 115.1760° W

Vista View: 50.9709° N, 115.1722° W

Fisera Ridge: 50.9568° N, 115.2044° W

Centennial Ridge: 50.9447° N, 115.1937° W
