During submission of the paper, an error was introduced in Fig. 6. The plots were swapped. Please see the correct figure below.

![Figure 6](image-url)

*Figure 6.* (a) Details of the Arctic+ v3.1 product from Fig. 5 together with the minimum sea ice concentration provided by OSI SAF for the period 11–19 August 2012. (b) Same region but for Arctic+v2.0. The right color bar indicates sea ice concentration, whereas the left color bar indicates salinity.
