BSV image

RNB labeling
- Manual visual interpretation
  - Are there any RNB objects in the image?
    - yes
      - Positive type
    - no
      - Negative type

Image context labeling
- Is the background environment in image obscured (by vehicles or RNBs)?
  - yes
    - Uncertain type
  - no
    - Semantic segmentation model
      - Ratio of different objects
        - Is building ratio the most? (except for sky and ground)
          - yes
            - Building dominated type
          - no
            - Non-building dominated type
