**Dating techniques**  
U-series (2717)  
Amino Acid Racemization (583)  
Electron Spin Resonance (213)  
Luminescence (597)  
Chronostratigraphy (120)  
Other (160)  
MIS Ages (25)

**Positioning and elevation**  
Elevation measurement techniques (19)  
Vertical datums (28)  
Geographic positioning techniques (11)  
Country (232)  
Region/Province (3456)

**Bibliographic information**  
References (2130)

Number of records for each table is indicated in parentheses

**Sea level data**  
RSL stratigraphy (4006)  
RSL index point types (30)
