archived at PANGAEA is misleading: EPOCA/EUR-OCEANS data compilation on the effects of ocean acidification, 1 January 2008- 31 December 2009. I would expect data measured in the time frame from 1 January 2008- 31 December 2009 and not the time frame of data mining.”

Reply:

Please find our response to the reviewers’ comments below. We thank the anonymous referee for his or her review and constructive comments, which helped us improve this manuscript and make it clearer for the readers.

- 1.The paper was checked for all “dataset” and replaced with “data set”
- 2.We agree. The title of the data set will be changed to”EPOCA/EUR-OCEANS data compilation on the effects of ocean acidification”
