Received and published: 18 October 2012

The editors of ESSD received an email from J Grieser on 2012.09.07. We invited him to share his concerns publicly, through the ESSD on-line discussion process. We asked him to "focus your comments on the current document as submitted to ESSD, in particular by reference to line numbers of the manuscript as submitted. We ask as well that you forgo accusations or other invective, and that you document your concerns by providing sufficient technical information or by reference to other reviewed and published information."
