

Interactive comment on “The PRIMAP-hist national historical emissions time series” by Johannes Gütschow et al.

R. Gieseke

robert.gieseke@pik-potsdam.de

Received and published: 11 July 2016

We thank Anonymous Referee #2 for bringing the incorrect display of some figures in the manuscript to our attention. It appears they only display wrongly in some PDF readers and platforms.

We will work with ESSD to make sure the final manuscript displays correctly for all readers and have attached a zip file with separate PDFs of the figures.

All further comments by Anonymous Referees #1 and #2 we will address in the coming days.
