Interactive comment on "Global Carbon Budget 2017" *by* Corinne Le Quéré et al.

Corinne Le Quéré et al.

c.lequere@uea.ac.uk

Received and published: 3 February 2018

For transparency we note here that we have added a new co-author to our manuscript during the revision process. Francesco N. Tubiello from the Food and Agricultural Organization (FAO) has been added in recognition of our use of FAO data, and has clarified some of the text and terminology in our manuscript around land use and land use change. See our governance document for our authorship policy and practice http://www.globalcarbonproject.org/carbonbudget/governance.htm
