Received and published: 22 February 2019

We would like to acknowledge and thank the Reviewers and Editor for their work and useful and interesting comments, which was really helpful to improve the manuscript. We are attaching 3 documents:

- 1_Response to Reviewers.pdf: a point-by-point answer to both Reviewers, in which reference to modifications in the paper is included when needed as lines-pages in the revised manuscript (also attached).

Printer-friendly version

Discussion paper

- 2_Revised_Manuscript.pdf: revised version of the manuscript (removed text crossed out and new text in red).

- 3_New_Manuscript.pdf: new version of the manuscript.

Regards

/The authors
