Received and published: 27 April 2018

Dear M. Payrastre,

First, on behalf of all the authors, I would like to deeply thank you for taking the time to review this paper. We appreciated your general and specific comments as well as the technical corrections you gave us. They were very helpful to rectify and improve the manuscript.

You may find the response to your questions and comments in the attached supplementary file.

We hope that it will adequately answer your interrogations and requests for clarification.
