Dear reviewers,

We attach a letter in response to your interesting and valuable reveiws. We have also prepared a revised draft of the paper which we will forward to the editorial office, and a revised version of the dataset, taking into account some changes in flags or time and positions of some of the data. We will wait until submitting to seanoe this updated dataset, until the review is finalized.

With best regards, Gilles Reverdin. (on behalf of the coauthors)
