Dear Editor,

Please find enclosed the revised version of the manuscript entitled “*Reconciling North Atlantic climate modes: Revised monthly indices for the East Atlantic and the Scandinavian patterns beyond the 20th century*” (essd-2018-86) and a detailed explanation of our modifications to the text and figures according to the reviewers’ comments.

We hope that the new version of the manuscript would be suitable for publication in the *Earth System Science Data*.

Yours sincerely,

Dr Armand Hernández, on behalf of authors
