Dear Reviewer,

Thank you very much for your kind work on our MS. As you reminded, the MS uploaded on 23 October 2018 lacks the method section. Actually, the section 2 “Method and data” has been available in the online discussion paper. Please check the link <https://www.earth-syst-sci-data-discuss.net/essd-2018-92/essd-2018-92.pdf>.

Due to some technical problem, I cannot upload the final MS to replace the MS up-

loaded on 23 October 2018. Alternatively, I add it as a supplement for your review along this reply.

Best regards, Authors

Please also note the supplement to this comment:
