Dear Authors and Colleagues

Thank you all for your contributions. thanks for the authors of 'ChinAllomeTree 1.0: China's normalized tree biomass equation dataset' for the replies to the review of your paper and for the revision of the manuscript and the published data set on PANGAEA. Your suggestions for the revision of the manuscript and the revised published data set are convincing. Your manuscript is well structured and well written and the detailed data set is published with all meta data available for users. We look forward to your final manuscript, Best wishes, Birgit Heim
