Dear Reviewer,

thank you very much for your very positive comments and the time you have spent in reading this paper, we appreciate it very much.

Abstract, Line 10: I rewrote the sentence.

Introduction, page 2, line 4-6: I rewrote the sentence. Nevertheless, it's out of the scope of this paper to explain all lessons learned from Chernobyl accident. We are focused on transboundary effects of the radioactive release which triggered the creation

C1

of ECURIE and EURDEP.

~Line 31: I rewrote the sentence, added a new one and a reference.

EURDEP networks, Page 4, Line 27: I wrote the full countries names

106Ru: I added a reference which may explain why this occurred
