Received and published: 29 October 2019

Dear Editor, dear Reviewers,

Please find the revised manuscript "1-km monthly temperature and precipitation dataset for China from 1901–2017". We addressed all comments made by the two reviewers point by point. In the uploaded file (pdf) you will find our responses to reviewers' comments first, followed by the revised manuscript. In our response, we included the page and line numbers for the revisions made in the manuscript to facilitate identifying the changes.

We would like to express our gratitude to the reviewers for their thoughtful comments and constructive critiques and suggestions. Addressing those comments and sug-
