

Interactive comment on “CHLSOC: The Chilean Soil Organic Carbon database, a multi-institutional collaborative effort” by Marco Pfeiffer et al.

Anonymous Referee #2

Received and published: 19 November 2019

Thank you for taking on board my comments and suggestions and updating the manuscript. I think the changes you have made mean that the paper flows nicely. It is a good explanation of the associated data and following a thorough read, I now feel I understand the work that you have done. I have no further suggested changes.
