Interactive comment on "Standardised soil profile data to support global mapping and modelling (WoSIS snapshot 2019)" *by* Niels H. Batjes et al.

Niels H. Batjes et al.

niels.batjes@isric.org

Received and published: 17 December 2019

Dear Reviewer,

Thank you for your kind words about WoSIS and your constructive review of the manuscript.

In the attached PDF we have addressed your queries and suggestions (RC) in the order that they are raised in the referee report as author replies (AR).

They have also been processed in the revised manuscript, which also includes our response to Reviewer 1, which will be uploaded separately.

We hope that we have adequately responded to your fruitful queries and comments.
