Open Access Earth System Science Data Discussions

Interactive comment on "Global Carbon Budget 2019" *by* Pierre Friedlingstein et al.

David Carlson (Editor)

ipy.djc@gmail.com

Received and published: 10 October 2019

Because of very strong scientific as well as political interest in the annual global carbon budget, the paper carries substantial risks from early disclosure. For that reason, and to allow coordination of the ESSD product with other products from other publishers not in open access, we impose a short period of closed review. Once published, all reviews, responses and revisions will become part of the full open record.
