Dear Editor Prof. Qingxiang Li,

We are grateful for your time on our manuscript. We have carefully reviewed the comments and have revised the manuscript accordingly and wish to submit a revised version of the manuscript for further consideration in the journal. Meanwhile, it has been carefully checked for the format of the current manuscript, e.g., the reference style, the format of citation, figures. In addition, the Chinese words have been all deleted in the text since we also agree that the English performances are good enough to clarify. We look forward to the outcome of your assessment.

Thank you for your consideration!
