

Thanks for the comments, we have now added (also in the paper) the DOI referred to the data presented in the manuscript (and acknowledge people from the data center for that). Moreover, we have updated authors' first name and last name as required. Finally, we have updated URSLs from www.cmar.csiro.au to www.marine.csiro.au, and added a ROR <https://ror.org/01mae9353> for the Marine National Facility in the acknowledgements.

We hope that this version of the paper can be accepted for publication

Best Regards,
