

**1) The authors need to clarify why the author list has changed. What is the contribution of the new co-author?**

**Response:** There are six authors in the originally submitted version of the article. Because Yun Xie has provided some essential suggestions in the revision process, she was added as the seventh author. We also introduce her contribution in **Line 428** in the revised manuscript.

**2) In Figure 4, please add units for variables in each plot.**

**Response:** Done. Please refer to Figure 4 in the revised manuscript.
