

Dear Topical Editor,

Thank you for your comments and suggestions. We have carefully revised and improved all language of manuscript and supplement, and invited a native English language editor to further improve the manuscript. The certification for the language polish has been attached below. According to your suggestion, we have reduced the length of the manuscript by 5 pages (~ 12%).

Once again, thank you very much for your time.

All the Best,
The Authors

Dear Sirs

Re: Mapping 10-m resolution global impervious surface area (GISA-10m) using multi-source geospatial data

By: Xin Huang, Jie Yang, Wenrui Wang, and Zhengrong Liu

This letter is to confirm that I have edited the above-named document.

Regards

A handwritten signature in black ink that reads "M. R. Ackerley". The signature is written in a cursive style and is placed on a light grey rectangular background.
