

Dear Editors,

"We appreciate the acceptance of our manuscript. Below, we describe the adjustments made:"

- Line 76: a space is needed before (FAO, 2017). This adjustment has been made.
- Figure 2: "1-Data validation processes" change to "Data validation processes". This adjustment has been made.

"Thank you once again for considering our manuscript. We appreciate your time and attention to our work. We look forward to any further feedback or guidance you may provide.

Sincerely,

Sergio Díaz-Guadarrama & SISLAC TEAM
