Response Letter

Title: Panta Rhei benchmark dataset: socio-hydrological data of paired events of floods and droughts
Author(s): Heidi Kreibich et al.
MS No.: essd-2022-330

Dear Editor,
We would like to thank you for the time and effort put into reviewing the manuscript. This review process clearly improved the usability of the data and the data paper. The data is now online open access, the DOI is provided in the manuscript
Best regards,
Heidi Kreibich on behalf of all authors
