

Dear Dr. Hassler, dear ESSD editorial and production team,

since the acceptance, I have made a few minor technical corrections listed below and uploaded a new manuscript file (and corresponding .tex and .bib files).

I hope it was okay to make these changes at this stage of the revision process.

Best regards,

Hannah Weiser

Technical corrections:

Manuscript:

- L. 15: Wang et al. 2020 → Wang et al. 2019 (now appears in the references in L 663)
- L. 241: Supplement 1 → Supplement
- L. 645: last access: 2019-05-21 → last access: 2022-04-25

Supplement:

- Title: beast → breast
- Added page numbers
- Added explanations for the figures on page 4
