EDITING CERTIFICATE

Date: December 12, 2024

Manuscript Authors: Tianjing Ren and Andong Cai

Manuscript Title: *Global patterns and drivers of soil dissolved organic carbon concentrations*

To whom it may concern,

I had the pleasure to perform English editing on the manuscript titled above. I am a native English speaker and hold a doctoral degree in the biological sciences.

I am confident that the English language in the manuscript is of a sufficient standard to warrant a consideration for peer review and/or publication. If needed, we look forward to making revisions as requested by the editor and/or reviewers.

Sincerely,

Russell Doughty, PhD
