Reply to Second Review (Minor Revision)

Dear Dr. Hassler,

Dear Reviewers,

Thank you very much for your valuable comments.

According to your feedback, we have made the following changes:

- Line numbers were added in the initial reply on RC2
- The data description file in the Zenodo archive has been updated, containing now all tables, table headers and units that are provided in the dataset

We hope that everything has been implemented to your convenience.

Kind regards

Claudia Färber and co-authors
